Bolsheviki Enroll Many in Army Through Offers of Food, Clothing and Plenty of Newly Printed Money.

WARSAW, Dec. 26. (By the Associated Press !- The flocks of released Russian prisoners who are making their way homeward through Poland all of whom appear to be tainted with Bolghevism as a are recognized as a danger in this respect by the Polish authorities, are in fact already causing much trouble by their lawlessness in search for food. The Bolsheviki are taking advantage

The Bolsheviki are taking advantage of the penniless plight of these first thousands of released prisoners whose tetal number is estimated at 2.000,000, and have picked up several thousands of them for their army by offering the men clothes, food and money, of the last of which there is pienty since the Bolsheviki control the putning presses for the production of rubles.

The first important arrests have been made of Bolsheviki emissaries, who are The life! important arrests have been made of Boishevitei emissaries, who are arriving from Russis with millions of rubles for the purpose of agitation and are spending several millions of rubles daily. Four men were taken in custody on this occasion. They claimed they had the right to spend their money as freely as they pleased. They are declared to be for the most part Russian Jews, nearly all of them bearing passports issued by Count Kessler, who was expelled from hote as reuresentative of the German Berlin government. They were sent here by Leon Trotaky as members at an aleged Rei Cross delegation, claiming that their mission was the care of Russian prisoners. With the Russian rubles flowing so freely the Polish police are at tempting to find the source of the paper ruble epidemic. ruble epidemic.
"Only American interference can de-

"Only American interference can destroy Bolshevism," declared Count Alexander Leluchin, in inlining with the correspondent. "It will not be downed by mere hunger it is a mistake to assume that it will die with hunger, because that is what it started with. At the present time there is no food in the cities and towns, no to-bacco, no sait and no sugar.

"The Befshevik began by robbling and killing the nobies and the riel. Then they attacked the bourgeoise, the more chants. Now they are reaching the

they attacked the bourgouse the more chants. Now they are reaching the bottom and trying to rob each other. Relief, however, seems to be coming from the south. Gen Skoropadski, de-posed hetman of the Ukraine, and the French troops are advancing from Odessa, and it is believed the Ukrainian situation will soon be under control. Petiura, with his army of peasants, and also the French, are moving upon Kiev, where order is soon expected to reign

COPPER SELLERS ARE **QUOTING METAL AT 23**

NEW YORK, Dec. 26 - Leading producers and sellers of copper were reported today to be freely quoting the metal at 25 cents a pound for the first quarter of 1918, when the present price of 26% cents fixed by the war industries board will be no longer effective. We ders were being booked freely for account of domestic consumers, it was

COTTON MARKETS

More Advance in Futures Accompanies Good Demand for Spots.

Thursday Afternoon, Dec. 76. Higher prices were again recorded in the couldn't market, at the topmost yells quintitions being approximately at points, or \$27.50 a bale ever the sason's lowest. March in New York old up to \$23.50 a compared with its ow of 22.50; while the rest of the list as up in proportion. Spots, while lowing plenty of strength, are not up a much by comparison, not having the make to go to restore partites neare normal. But the chief secret of the intakes to go to restore partites neare normal in the chief secret of the interest of the profit-taking, it being felt that the the reduction in the short interest such an advance it was the part of indom to be a little more careful intiment was still builth and sellers are cautious, but there were plenty ligher prises were again recorded it

A private letter from Semipalitinsk on the Irrish, in Western Siberia, reported that the entire population was dying of starvation. The dead were entire to the large of months, it was added, without lamps or candles.

NEW YORK COTTON

NEW YORK COTTON

of 25% cents fixed by the war industries board will be no longer effective. 19ders were being booked freely for account of domestic consumers, it was said, and no inquiries were received for deliveries beyond March. These orders included one for about 1,000,600 pounds.

KILLED BY TRAIN.

KNOXVILLE, Tenn., Dec. 26. (Spl.)

Robert H. Bishop. 53. of Heiskell Station, was instantly killed near his home here while attempting to board a Southern railway train which would carry him to his work. The joyous anticipation of his wife and seven children who had been looking forward to the training the training of the pre-holiday sellers were replacing their received frames and steer opening 9 points low-to-wards and after opening 9 points low-to-wards and after opening 9 points low-to-wards and after opening of July seemed to come chiefly from houses with laver-pool connections. Otherwise there was little pressure with earliern realizing anticipation of his wife and seven children who had been looking forward to the received frames at the L. NEW YORK COTTON

FROM WALL STREET

March to 19.00e and May to 25 20c bafore the end of the first hour, making
net advances of 45 to 57 points.

Bealising enough was encountered
around 10.12c for January and 29 10c for
March, or about 54 to 60 points from
the best. There also was some selling
on the actback, but private advices
claimed apot holders were asking the
highest hasis of the season and the
marked firmed up again late in the
morning, with January selling around
30.04c and March 12.85c or 10 to 45
points not higher on envering, trade
and commission house buying.
Trading was less active during the
sarty afternoon and prave hold around
18.00e for March, or about 42 points
net higher.

Entires closed barrely steady at ad-Speculative Issues Again Are Under Moderate Pressure as Pessimism Is Prevalent.

Josephilism is Prevalent.

NEW YORK. Dec. 26.—Selling of speculative issues was resumed at the opening today, utilities and métals again reflecting appears over the holiday in no wined diminished the feeling of pessimism prevalent.

Ounce Of Platinum Will Make Wire 1,800 Miles Long

CHICAGO Der 26 (Mpl) - Platinum, which came into the public eye in the early days of the war because of the critical shortage of the metal required VLADIVOSTOK. Dec. 28 (By the Associated Press)—Gen. Semenoff, the anti-Boishevik leader who refused to recognize Admiral Kolchak as dictator, in the Omsk government, has finally agreed to give Admiral Kolchak his recognition provided Admiral Kolchak his recognition provided Admiral Kolchak nigrees to retire in favor of Gen Denikine, hetman of the Don Consacks, immediately a junction is effected of the forces east and west, and also with draw his order branding Gen. Semenoff as a traitor, besides leaving Gen. Semenoff in command of his army.

This is the latest phase of the difficulty created by Gen. Semenoff's attitude, the outcome of which is not yet apparent. Gen. Obs. Japanose officer in this local command, protests his neutrality in the dispute but declares he had recommended the recognition of Admiral Kolchak.

Economic conditions at Chita are very unfavorable. There is barely one train a day-between Manchuria and Irkutsk and during the last 10 days only two freight trains have come through from Manchuria because of the lack of lacomotives.

Gen. Semenoff denies the charge that critical shortage of the metal required in the government's munitions program and which came into the limelight again recently when the government ban was lifted from platinim jewelry, he the most ductile of minerals. From a single troy ounce, it would be possible to make a ghin wire that would reach from New York to Denver or across the South American continent from Santiago, Chile, to Rio Japeiro, Brazil, a distance of 1,800 miles. Such a wire lea almost invisible.

a distance of 1.500 miles. Such a legality almost invisible.

Platinum sold before the war at an ounce. It is now held a ble ounce and since the mines in the mines in Sheria, the chief source supply, are shut off from the we the price of the mineral is experts go still higher. Experts say it is probable the price will be reduced. several years. Before the war, num was about one and a half more valuable than gold. Now more than five times as valuable

CHICAGO, Dec. 26.—Hogs.—Receipts

NASHVILLE. Tenn. 1900 15 (Spl.)

In the federal court this effermound Judge Sanford ruled that the government cannot seize automobiles used in the transpertation of intoxinating liquors from Kentucky and other states. The government has already neized in Nashville more than 29 high towered and expensive automobiles laden with liquors.

The ruling however does not imply that the government has no right to search ears for liquor which may be confreeded.
